Forms Approval Status

2003 Tax Year (2004 Processing Year)

The vendors on this list are approved for **Form Design, Data Placement or both.** Forms for a vendor are considered approved only when all forms submitted for that type tax are approved. Some vendors do not submit all of the forms for a particular tax type. A vendor listed as **N/A** is not supporting that type of tax form. A vendor listed as **Pending** has the majority of the forms for a tax type approved, but not all.
